

A child dies from Malaria every 30 seconds

*****As you “dot” yourself with a fake mosquito bite, look at it carefully and consider the following***

What happens to me when I get a mosquito bite?

How would it feel to know that the little mosquito bite on my arm could kill me?

Pray for those throughout the world who are in danger of malaria. Pray for protection. Pray for their health. Pray for the hearts of the moms and dads who watch their little ones suffer.

Mosquito Nets which cover 2-4 people cost \$4

Ask the Lord how He might want to use you in helping prevent children from dying of Malaria by being a part of a fundraiser to raise money for nets.
